

Jack Nelson

Recruitment consultant

About me

I'm responsible for 360 recruitment within the Nordics, using my established network of top tech talent and targeted head-hunting campaigns to find the best candidates for both in-house and consultancy clients within Norway and Sweden. It is key for me to support the full recruitment lifecycle from start to finish, from finding new roles with new clients to sourcing skilled candidates. Most importantly, the candidate and client are satisfied with the outcome.

Clients

Testimonials

Jack has been excellent both during and after the interview and recruitment process. He's always answered questions promptly and is incredibly patient with repeated questions. Throughout the whole process, he has been both personable and professional.”
